

DAYBREAK JOB DESCRIPTION

TECHNICAL DIRECTOR

11.1.2020

OVERVIEW

Daybreak is a growing and vibrant church in Southern California. We exist to see countless people from all over San Diego County and around the world, saved and made whole by Jesus. Families that once were broken and lost will find healing through a church that offers a fresh start and lasting hope.

POSITION DESCRIPTION

The Technical Director is responsible for setting the spiritual tone for the Technical Ministry at Daybreak. In order to succeed in this role a candidate must ensure that volunteers are spiritually and technically prepared for their role in our worship experiences and events. All team members are expected to have an attitude of ownership and responsibility, which is championed by the Technical Director. This role supports the mission of Daybreak by overseeing all aspects of the ministry in regards to audio, lighting, and video. The ultimate goal of this role is to ensure that services and events across all facilities and ministries are able to utilize technology efficiently, effectively, and strategically in order to enhance the experience of those attending.

MINISTRY EXPERIENCE

We are looking for a passionate Christ follower who is capable and qualified to develop and lead this ministry at Daybreak. Priority will be given candidates with a proven record of leading technical production in a ministry environment, as well as growing and developing teams of volunteers.
