PUSH BACK
DARKNESS

**BUT WE DO
NOT BELONG
TO THOSE
WHO SHRINK
BACK AND ARE
DESTROYED,
BUT TO THOSE
WHO HAVE
FAITH AND
ARE SAVED.**

HEBREWS 10:39

God is alive and active here at Daybreak Church, and we are tremendously grateful to be on this exhilarating journey together with you. We so often find ourselves standing in awe of all that God has done through Daybreak over the years. We are excited for what He is preparing us for in the season ahead.

Whether you are new here, have been coming for years, or are somewhere in between, we are grateful that you are a part of building such an incredible church here in North County. From the beginning, we have sought

to be a place where people could come, bring their families and find a fresh start, and experience lasting hope through the power of God through Christ Jesus. We know that your ongoing engagement in the ministry of Daybreak has fueled the growth and restoration in the lives of so many.

Every few years throughout our history, Daybreak has experienced God prompting us to move boldly into uncharted territory. It started with the people who planted our church nearly 3 decades ago with a vision to reach North County for Jesus. Then about 20 years ago, Daybreakers boldly stepped out in faith and purchased the current property and built our first building. They gave sacrificially because they knew that God was moving and He was using us! Over the past decade, as we continued to grow, God led us through multiple building campaigns that enabled us to build the current campus and worship center so that we could continue to reach more people for Jesus. Every time we risked, God enlarged and expanded our faith and impact. What an incredible journey we are on together!

Once again, we are sensing the leading of God into a new season of impact and expansion. God has not called us to be static or complacent. He has called us to advance the Kingdom of Heaven here in San Diego. He has called us to push back the darkness as we continue to relentlessly seek to provide each generation a place to experience the power of God in real and tangible ways. As we have prayed and sought the Lord about the season ahead, He has lead us time and again to read Hebrews 10:39 where we read that, "we do not belong to those who shrink back and are destroyed, but to those who have faith and are saved." God has called us to be a people who advance!

God is calling us to SPARK a movement of world changers by way of our cradle through college strategy! As you will see across the pages that follow, in this next season we will be investing in our children, youth and young adults as we prepare to revitalize, refresh, and invest in our ministry spaces.

We are very grateful for the privilege of building the Kingdom together with you, and are inspired by what we know God can and will do through us! Together we will ignite an unquenchable passion for God in the lives of our children, youth and young adults.

Pastors Jason & Corri Graves

**TOGETHER
WE WILL
IGNITE A
PASSION
FOR GOD
IN OUR
KIDS**

TOGETHER WE WILL SPARK A MOVEMENT

GOAL 1 - KIDS & YOUTH EXPANSION

To expand and refresh Daybreak's kids, youth, and young adult environments (enlarge playground, upgrade Student Center, create new multi-use café).

GOAL 2 - LAUNCH LEADERSHIP COLLEGE

To launch the Daybreak Leadership College with 25 student interns in year one, building toward an enrollment of 100 student interns by year five. Additionally, to secure housing for the Daybreak Leadership College student interns within driving distance of the Daybreak campus

PROJECTED COSTS

Raise \$3.5 million to "Spark a movement of future leaders in the market place, pastors, missionaries, and world changers."

PLAYGROUND PROJECT

As we continue to grow, we need a space for our children to encounter God in a powerful and dynamic way. The playground will expand and revitalize our early childhood experience and create a safe and engaging area for kids to play, learn about Jesus and fall in love with the local church. It will also make room for parents to connect while their little ones enjoy interacting with one another.

SPARKING A MOVEMENT IN OUR YOUTH

As our Mix N continue to g their schools our Student old and has r Center and t the growing other events these spaces students wil experience C

DAYBREAK LEADERSHIP COLLEGE

Daybreak Leadership College is a college and internship program of Daybreak Church in Carlsbad, California. In partnership with Life Pacific University, a student intern can earn a regionally accredited degree (WASC) while receiving ministry training and leadership development. Student interns can experience a discipleship model of Student Life, living in community at one of our residence halls while preparing for ministry or the marketplace.

Life Pacific University is a WSCUC and ABHE accredited institution of biblical higher education existing for the transformational development of students into leaders prepared to serve God in the Church, the workplace, and the world.

lifepacific.edu

The church partnership program with Daybreak Church offers an affordable academic program while student interns complete a ministry practicum at Daybreak Church.

Life Pacific University offers 2 AA and 2 BA options through the partnership.

- AA in General Studies
- BA in Organizational Management
- AA in Biblical Studies
- BA in Ministry and Leadership

The cost for the year will be \$15,000 which includes tuition and housing. \$7,800 for tuition at \$325 a unit, a \$1,200 site fee, and approx. \$6,000 for housing.

Financial Aid is available by filling out the FAFSA and Cal-Grant (for California residents) Applications.

CAFE PROJECT

We will be transforming our Brickyard space into an open air cafe and commons area for a variety of uses. On Sundays this space will serve as our cafe and hospitality area, as well as a hang out and service overflow area. Throughout the week, it will serve as the student commons for the Daybreak Leadership College and will provide work and meeting spaces day and night. We will also be renovating our offices to make more space for the student interns to work and collaborate on ministry projects throughout the week and weekends.

STUDENT HOUSING PROJECT

The Daybreak Leadership College will be a full college experience with classes, internships, student life and housing. Our desire is to acquire student housing within 15-20 minutes from Daybreak's campus, so that students can learn together, grow together and live together in student dormitory housing. We believe this is an integral component to the college experience and are basing this part of the project on what we have learned from other great churches around the world who have thriving college programs like Hillsong Church in Australia and Phoenix, and Motion Church in Seattle, Washington.
